THE CLEVER DETAIL MAKE THE DIFFERENCE

THARMAC® preparation systems for cytocentrifugation

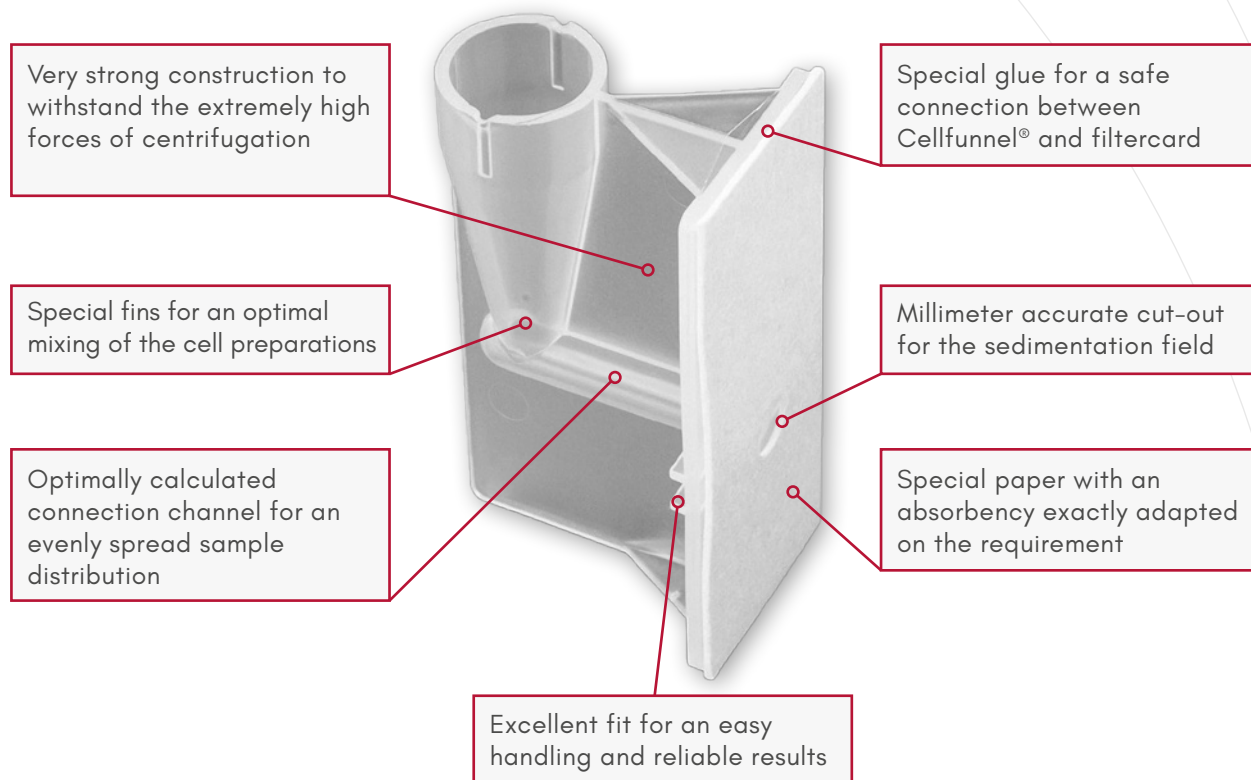

THARMAC® offers a wide range of highly developed preparation systems that allow you to execute any cytological preparation quickly and reliably. The individual components are full of clever details and are matching each other optimal. As a result, our overall systems make your daily laboratory routine easier and safer.

THARMAC® CELLCLIP

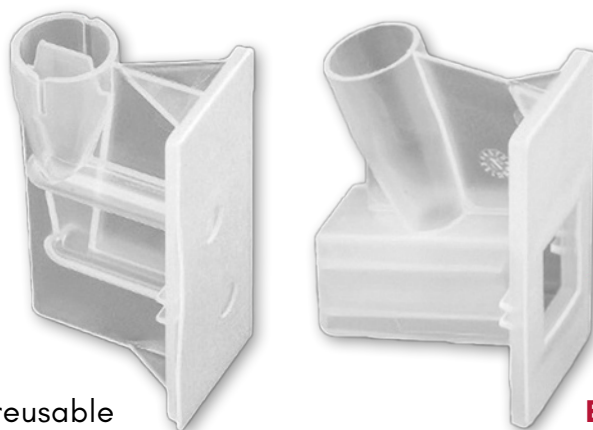

PREPARATION SYSTEMS

THARMAC® CELLFUNNEL®

The picture above shows the disposable Single Cellfunnel® (Item no. 320-100 or 320-500). THARMAC® also offers Double Cellfunnel® and ECOfunnel®. All systems are available as disposable and reusable and also suitable for Shandon™ Cytospin™ - sample volumes from 0.1 - 5 ml.

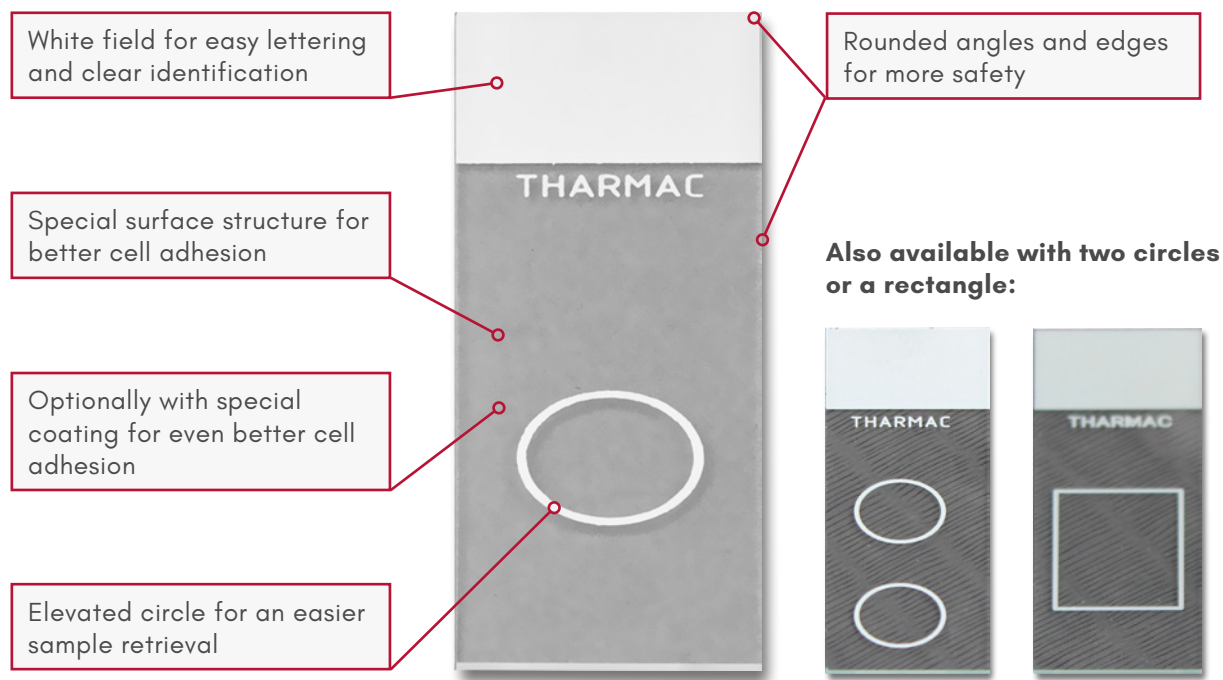

Double Cellfunnel®, reusable

ECOfunnel®, disposable

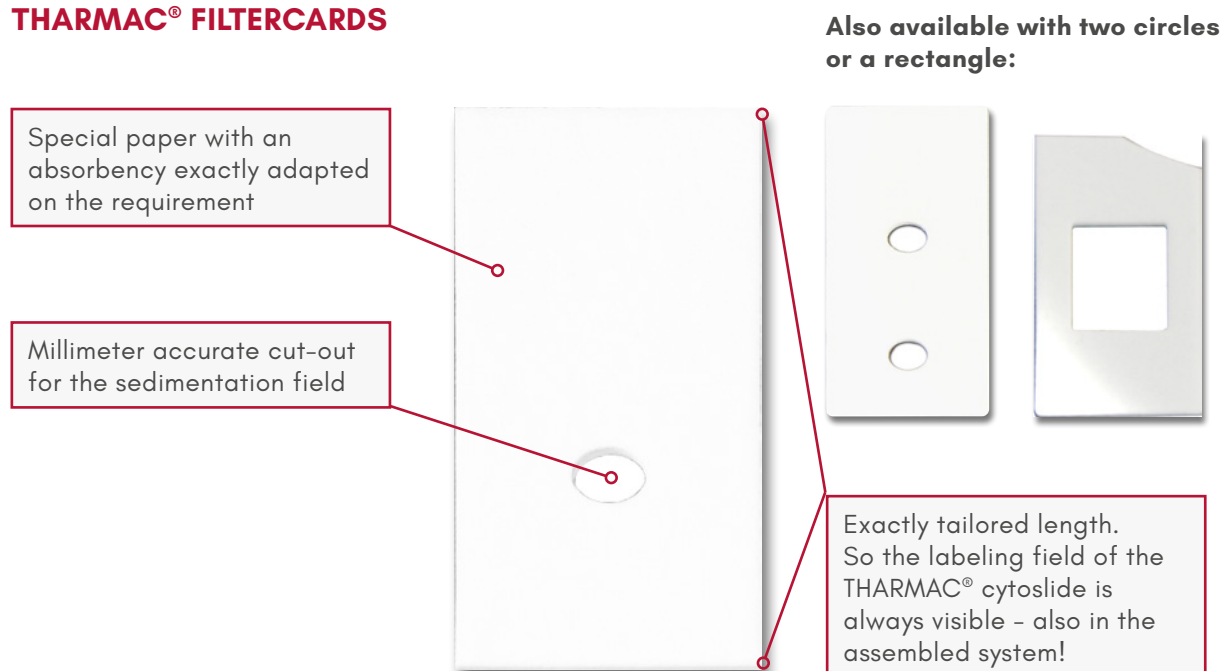

PREPARATION SYSTEMS

THARMAC® CYTOSLIDES

Suitable for all standard staining machines

THARMAC® FILTERCARDS

CONSUMABLES

Cellfunnel	
Article no.	Description
1391-40-0	EASY ECOfunnel disposable 40 units/pack
1393-40-0	EASY Single Cellfunnel disposable 40 units/pack
1394-40-0	EASY Single Cellfunnel disposable 40 units/pack
1395-40-0	EASY Double Cellfunnel disposable with filtercard 40 units/pack
304-4-0	Single Cellfunnel reusable 4 units/pack
306-12-0	Double Cellfunnel reusable 12 units/pack
313-12-0	ECOfunnel reusable 12 units/pack
406-12-0	TPX-Funnel reusable, for Shandon Cytospin and Cellspin EASY-rotor 12 units/pack
320-50-0	Single Cellfunnel with white filter card disposable 50 units/pack
322-100-0	ECOfunnel with ECOseal, disposable 100 units/pack
323-50-0	Double Cellfunnel disposable with two offset holes and filtercard 50 units/pack
Filter cards	
Article no.	Description
305-200-0	Filter cards one hole Ø approx 0,5 cm 200 units/pack
307-200-0	Filter cards two holes 6.5 mm offset 200 units/pack
307-500-0	Filter cards two holes 6.5 mm offset 500 units/pack
326-200-0	Filter cards thin for samples up to 0.4 ml, one hole 200 units/pack
345-100-0	ECO filter cards for ECOfunnel for samples up to 0,5 ml, one rectangular hole 100 units/pack
407-200-0	Filter cards for TPX-Funnel 200 units/pack
315-100-0	ECOseal 100 units/pack
Cytoslides	
Article no.	Description
309-100-0 / 309-100-M-0	Cytoslides two circle uncoated 100 units/pack
310-100-0 / 310-100-M-0	Cytoslides one circle uncoated 100 units/pack
311-100-0 / 311-100-M-0	Cytoslides one circle coated 100 units/pack
314-100-0	Cytoslides one rectangle coated 100 units/pack
314-50-M-0	Cytoslides coated one rectangle 50 units/pack
316-100-0	Cytoslides two offset circles coated 100 units/pack
317-100-0	Cytoslides two offset circles uncoated 100 units/pack

Cellspin Accessories	
Article no.	Description
302-1-P0	CellClip stainless steel for <i>Cellspin</i> [®] CellClip-rotor 300-4,8,12-0 1 unit/pack
302-4-0	CellClip stainless steel for <i>Cellspin</i> [®] CellClip-rotor 300-4,8,12-0 4 units/pack
390-1-P0	Stainless steel clip for Shandon Cytospin and <i>Cellspin</i> [®] EASY-Rotor 750-12-0 1 unit/pack
390-4-0	Stainless steel clip for Shandon Cytospin and <i>Cellspin</i> [®] EASY-Rotor 4 units/pack
386-1-0	Centrifuge bowl with lid without rotor plate for <i>Cellspin</i> [®] III
376-1-0	Centrifuge bowl with lid and rotor hub for <i>Cellspin</i> [®] I and II

Filter cards cannot be exchanged for reasons of hygiene.
