

NEW 5 & 7 Liters Needle containers

With Dual Protect **PRO**™

Even more recycled.

+10% recycled plastic in the new 7l wide than in the 7l tall.

7L High

New 7l large

Even bigger.

+18%* up to +18% fuller than a round 7l (*7 Litres vs Competitor)

+13% more effective fill than our 7l high

Even safer.

Dual Protect Pro™: optimal filling guide and overfill prevention

- Star disconnecter for pen injectors
- Combined Luer lock & Luer slip disconnecter
- Safe assembly - 4 audible clicks
- Clearly visible filling limit and safety space
- Carrying handle - compatible with all SafeClip holders
