Easy to understand

Main menu with all modes for quick selection

Clearly structured

Working mode with all important information

Organized

All options visible at a glance

Helpful

Internal help right where it is needed

The perfect team

Automatic size detection with PD-Tip™ // from BRAND®

The HandyStep® touch saves time and prevents errors through automatic tip size recognition of the PD-Tip™ // from BRAND®, with patented coding on the pistons. After inserting the tip, the size is automatically recognized and displayed, making it easy to select the volume to be dispensed. When a new PD-Tip™ // of the same size is inserted, all instrument settings are maintained.

Multi dispensing with the HandyStep® touch and PD-Tip™ //

Sequential dispensing with the HandyStep® touch *S* and PD-Tip™ //
