

GLP25 - the innovative and mobile laboratory / industry pump

NEW - easy handling drum pump for many applications

Applications	general: non inflammable liquids, acids and basis low concentrated, fluids of medium viscosity (colours, emulsions, dispersions, suspensions, oils) extra liquids: inflammable liquids when ATEX is not required (special laboratory conditions) pumping heavy and viscous liquids only in small quantities, motor temperature is limited
Motor	electric: max. 160 W, 230 Volt / 50 Hz
delivery rate	0 - 30 l/min with discharge tube
pump units	wetted materials: PP, Stainless Steel, Viton® length of tube: 500, 700, 1000 mm
Specific features	protection of utility models, immersion depth and complete drainage adjustable by o-ring,

Click-joint

different container sizes

discharge tube, on the right with nozzle

And these are your advantages

- Faster than hand pumps
- Low costs than conventional drum pumps
- More comfortable because of the low weight

Please order your Pumpset direct here on the phone +49 93 42-9 35 16 10 or by

Delivery Time:
2-3 business days

Motor	<p>Please take the current prices from the following price list GLP25</p>
Pump unit incl. discharge tube PP	
Accessories adapter PP	
Pumpset	

*All prices are per piece, ex works, they do not include packaging or any local taxes or fees. Prices are valid for one month.

Laboratory pump GLP25

innovative and flexible for Laboratory and Industrie

Description	Length	Item No.	Euro
Pump-Set PP sealed		Shaft stainless steel (Niro)	
drum pump set GLP25-500, PP/SS motor 160 W, pump tube 500 mm, discharge tube PP, adapter PP	500	400-0005	225,00 €
drum pump set GLP25-700, PP/SS motor 160 W, pump tube 700 mm, discharge tube PP, adapter PP	700	400-0010	235,50 €
drum pump set GLP25-1000, PP/SS motor 160 W, pump tube 1000 mm, discharge tube PP, adapter PP	1000	400-0020	245,50 €
Pump tube PP sealed FKM		Shaft stainless steel (Niro)	
pump tube GLP25 PP-A-SS-500 incl. discharge tube made out of	500	310-0005	112,50 €
pump tube GLP25 PP-A-SS-700 incl. discharge tube made out of	700	310-0010	123,00 €
pump tube GLP25 PP-A-SS-1000 incl. discharge tube made out of	1000	310-0020	133,50 €
Universalmotor Typ GLP 160			
GLP 160-230, 230V, 50Hz, IP22, 160 W		560-0010	116,00 €
Accessories			
discharge tube PP depth 25 cm ND 19, OT 3/4"		840-0218	16,00 €
adapter PP, conic di=25mm, ø= 65-70 mm		840-0220	16,00 €
nozzle PP with hose PVC ND19, depth=1,5 m		840-0222	49,00 €
